

Promote Your Business!

In the all new 2016 Union County & Community Map

Dear Chamber Member,

The Union County Chamber of Commerce has partnered with chamber member, Town Square Publications, to produce an updated, comprehensive County/City Street Map of our area, which will provide an opportunity to help you market your business.

Thousands of these full-color, up-to-date printed maps will be distributed throughout the area by the Chamber, City & County offices and local Realtors, to visitors, new and local residents, students and business owners.

The Community/County Map is a remarkable advertising tool, highly visible and is a publication that businesses and residents keep on hand for easy reference.

As a participating advertiser, you will also have a locator dot on the Community/County Map, so that your business can be easily located by prospective customers.

In addition, the Map will be replicated online via the Union County Chamber of Commerce website and the National Community Profile Network at Town Square Publications, further extending the exposure of your advertising message and increasing your search engine optimization.

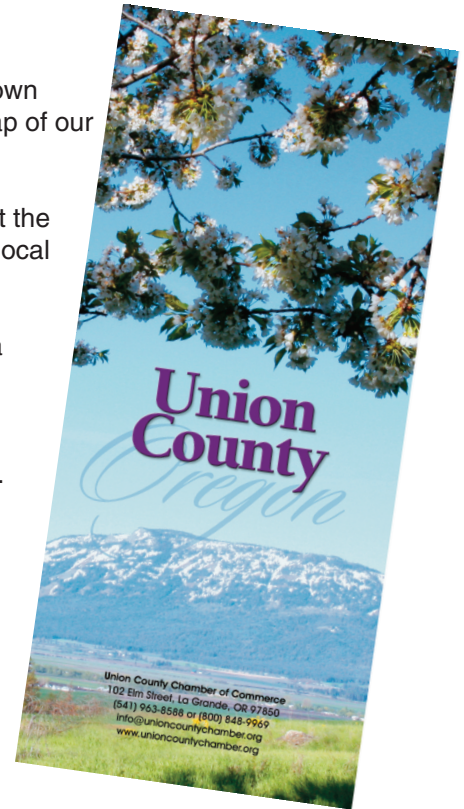

Don't miss this exceptional opportunity to promote your business!

Our representative from Town Square Publications is Lini Handy. You may reach her by completing the information below and faxing it to Lini at the Chamber (541) 963-3936 or call Lini direct at c.(760) 567-9430 or email her at desertstorm@bmi.net to review the details.

Get your business noticed and keep it successful.

Bringing you tools for success,
