Tips for Success

- Sign up early to get the best spaces and best chance for having special requests met.
- If signing up within one week of fair day, call Cindy at 541-805-8563.
- Keep a copy of your Vendor/Venue Information and Registration Form.
- First time vending?* Do a practice set-up at home to make sure you have all of the equipment and supplies you need to be productive and comfortable for an 8-hour day.
- Shade is limited, so bring a canopy to keep yourself and your goods cool and comfy.
- Bring a chair. Eight hours is a full day, and your feet and knees need a break now and then.
- Need power?* Bring your own power strip and long extension cord.
- Keep your products and the vendor area clean. Consider bringing a small waste basket, and wet wipes or paper towels.
- You may leave your things overnight if you set up on Friday. Protect your products from the weather and make sure your belongings are reasonably secure.*
- Bring plenty of extra change. There are no banks or ATMs in Cove.
- Accept multiple types of currency (cash, check, and credit/debit) if possible.
- Make sure you have someone to fill in while you take a break now and then.
- Most important: Have fun with a lot of great people!**

**Cherry Fair, Cove Community Association, and Ascension School Camp & Conference Center are not responsible for the loss or theft of any items left unattended, or belongings damaged by weather. Thankfully, Cove is a pretty safe place and honest community.*
